Independent International Commission of Inquiry on Ukraine

WHO WE ARE

The Commission of Inquiry on Ukraine is a fact-finding mission established by the UN Human Rights Council in March 2022, with a mandate subject to annual renewal.

WHAT WE DO

The Commission investigates all alleged

- violations and abuses of human rights
- violations of international humanitarian law
- and related crimes

in the context of the aggression against Ukraine by the Russian Federation.

The Commission is also tasked with making recommendations in particular on accountability measures.

HOW WE WORK

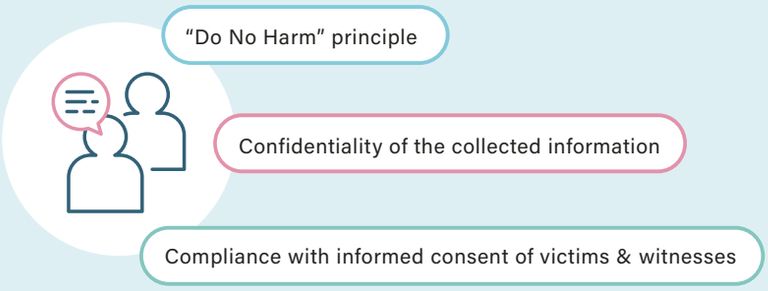

The Commission examines objectively allegations of violations regardless of the identity of the perpetrator.

Fact-finding methodology

Evidence collection → Assessing credibility & reliability and Corroboration → Determining violations → Pattern analysis

Our approach

Our investigators follow a victim-centred approach to protect the safety and well-being of victims and witnesses, and to avoid re-traumatization:

MEMBERS OF THE COMMISSION

Erik Møse
Chair

"We focus on events in view of their gravity, their significance in demonstrating patterns of alleged violations and the possibility, of course, to gain access to victims, witnesses and supporting documentation."

Pablo de Greiff
Commissioner

"We are open to information from many different sources, but ultimately the conclusions included in our reports are the conclusions that we arrive on the basis of evidence that we have gathered ourselves."

Vrinda Grover
Commissioner

"We have consistently emphasized the importance of comprehensive and victim-centred accountability, which includes judicial and non-judicial measures."
